

Single Parent Homes for Children

Keeping Families Together!

From a homeless shelter in Carlsbad, Sharnelle Toledo moved her family to NMCCH and enrolled in Single Parent Homes for children.

A Native American from the Navajo Nation, Sharnelle has four beautiful children; Jacob (6), Sharlette (5), Jericho (4), and December (2).

As a baby, Jericho developed cancer of the retina. St Jude's Children's Research Hospital successfully treated and fitted him with a prosthetic left eye. Sharnelle

is thankful that Jericho has vision in his right eye. However, Jericho is developmentally delayed and requires much attention. Sharnelle has the difficult task of tending to Jericho while her other children expect her attention at the same time.

The Make A Wish Foundation recently visited the NMCCH campus to fulfill Jericho's and Sharnelle's dream. He was the recipient of a complete bedroom makeover. They videoed this great event, lifting Jericho's spirits, and the whole Toledo family!

Jericho loves his Make a Wish bed!

Enrolled in full-time classes at Eastern New Mexico University, Sharnelle is studying to receive her BA in Early Childhood Education / Special Education. Needless to say, her path is a difficult one, going to school while providing for her children.

Sharnelle impresses everyone she meets with her deep devotion to her family. She states, "I struggle and have hard days to achieve my goals. But I'm really thankful that so many people care and donate to help my family and the other single parent families. It's a great feeling!"

Playing at Vacation Bible School

The Toledo family is at church every week. Sharnelle sees the importance of providing a positive church experience for her children, to stay encouraged and not give up. Sharnelle states that she plans to be baptized. As of this writing, she is studying for that purpose in the near future.

What a great example of perseverance and courage and growing faith in the Lord!

Keep Sharnelle and all of our Single Parent Families in your prayers. And if you would like to support this great ministry, mark your next contribution "SPH".

New Mexico Christian Children's Home in Portales

Providing children with quality residential, adoptive, and single-parent homes

THANKS TO ALL!

Netherwood Park, Albuquerque, came to serve and work in the CCH ministry.

Patrick Keagle and his crew from TEK Services in Edgewood donated the installation of HVAC and ducting in our gymnasium!

House Father, Tom Pittmon, is teaching Nehemiah how to use a lawn mower.

The kids really enjoyed the week long Vacation Bible School put on by a group from Clinton Arkansas Church of Christ.

Lakeshore Church of Christ in Waco, TX brought a work crew and stayed several days!

Growing in Love!

You, our Champion Donors, are making a difference in the lives of many children and families!
Because of you, NMCCH is growing!

Growth means we are helping more than ever! It means we need your help more than ever!

In the past two years, with no government funds we have (1) doubled our bed capacity; (2) diversified our mission to avoid government control, and (3) expanded our outreach to evangelize parents!

Together, with your partnership and the Father's love, these great things have been accomplished! We are grateful for your love and care!

*All who love the Father,
love His children! John 5:1*

Milestones and Memories!

You, our Champion Donors, will be happy to know that the month of May closed a record setting chapter in our history with our graduating class of Christian Champions! For the first time ever, our end-of-school Awards Assembly recognized 100 graduates of all age and class, toddlers moving into kindergarten and young adults transitioning into college.

They become Christians! The newsletter picture of our graduates and senior class is our largest ever. It has been our great pleasure to see all of them baptized into Christ.

They become Champions! Our former graduates include preachers, youth ministers, worship leaders, elders, teachers, nurses, city councilmen, electricians, welders, paralegals, juvenile officers, rehab workers, physical therapists, general contractors, web page designers, software engineers, military service men and women, a Navy Seal support team member, numerous state champion athletes, two All Americans, and a missionary who has taught and baptized 12K men into Christ. They become mothers and fathers and House Parents who work in child care! Some even become Champion Donors like you!

Other graduates and senior classmen did not make our group picture, having already moved on with their summer and career plans. Scattering all over the world, they embody cultural diversity; four Afro-Americans, four Hispanics, and eight Caucasians. But they have one thing in common now. They carry Jesus wherever they go!

Keeping their eyes on the Greatest of all, the Christ Champion himself, they will do great things!

Christian Champion Hi-light!

NMCCH is a place of hope for families and children! Our mission is happy to serve Romeo, and another 20 children in our Residential Homes who have their family history and roots in Liberia. A number of our children's parents, grandparents or relatives fought in the civil war in Liberia. Some were badly injured and even killed.

Escaping to big city America had its own set of problems. The inner city neighborhoods where Romeo was born and raised were filled with crime and drugs. Like so many of our children, Romeo came to the Home seeking a positive new environment. At NMCCH, he gets a new start where his educational future can be secured.

This past school year, Romeo, was a member of the New Mexico State Champion Portales Ram Football team. He is working hard to improve academically. He is taking full advantage of many opportunities to emerge as a standout in the community and among his peers.

Ephesians 2:19 addresses us all as one-time refugees passing through this world. But no longer! The love of God and his people is transformational in its power! The Good News is that we are now citizens, "fellow citizens with God's people!" Through Jesus, every child, like Romeo, can become a champion!

Champion: It's what you do! It's who you are!
